# General Rules and Regulations for Fair Participants and Attendees

The Cecil County Fair Board has authority and control over the operation, conduct and staging of the annual Cecil County Fair. To this end the following rules and regulations have been established to provide guidance to all participants.

1. All reasonable precautions will be taken for the protection of people while on the Fairgrounds but the Board shall not be responsible for injury or illness to any person.
2. During the week of the fair, **NO DOGS WILL BE ALLOWED ON THE GROUNDS**, except as contestants in the dog show, pretty animal contest, or used as a seeing eye dog or aid dog. All service or therapy animals are required to have paper documentation.
3. The Fair Board reserves the right to interpret all rules and regulations and resolve any situation which may arise and is not restricted by the lack of a specific rule or regulation.
4. All reasonable precautions will be taken

for the protection of exhibits but the Board shall not be responsible for any loss or damage.

5. Premiums, prizes and awards will be paid to the exhibitor by mail within 60 days of the end of the Fair, unless otherwise stated in the class listing. Exhibitors not receiving their premium within 60 days should contact the Fair Secretary at (410) 392-3440. Checks must be cashed within 60 days of the date of issue or they will be void and the money will stay with the Cecil County Fair.
6. The Fair reserves the right to reschedule or cancel any event without prior notice and without incurring any liability.
7. Animal exhibitors who need to stay overnight on the fairgrounds to care for stock, must have a special permission slip. This can be obtained from the Cecil County Fair Office. If you plan to participate in herdsman, please see each section for specific rules.
8. Participants must comply with the Rules and Regulations listed for each department and section.
9. The Cecil County Fair Board encourages all 4-H and open class participants to market themselves and their products, but animals and products entered into the competition at the Fair are **NOT** to be sold and leave the fairgrounds during the Fair week.
10. Animals which are not entered in Fair classes will not be permitted on the fairgrounds at any time, for the health and safety of all exhibitors' animals. Please contact your barn chairperson if you have questions.
11. All service or therapy animals are required to have paper documentation.
12. Cecil County Fair is an alcohol free family friendly environment. Smoking in bleachers and buildings is prohibited. Please see Fair Map for

designated smoking areas.

13. The Cecil County Fair reserves the right to exclude from the fairgrounds any person (exhibitor, spectator, vendor, admission paying patron) who is in any manner disruptive or who exhibits inappropriate behavior that would disturb the public. Such behavior may include, but not be limited to, any public cursing, abusive, or belligerent language, or any language or conduct which causes others to feel threatened. The Fair may delegate authority to impose any such sanction to its designated security officers. Said sanction shall also include the right to temporarily or permanently ban participation in future events.
14. **NO ADMISSION PASSES WILL BE FURNISHED.** The exhibitor will be admitted free during official entry times only. All others accompanying an exhibitor must pay the regular admission price.

## Online Entry Directions

- Access Blue Ribbon Online Entry Website by going to [cecilcountyfair.org](http://cecilcountyfair.org) and clicking on the Fair Entry Information tab.
- All entries must be done online.

### Create An Account

- All exhibitors must create an account with username and password. These accounts are good for any items that you want to enter before July 1.
- If you do not enter all of your items at once, be sure to use the same log-in information the next time to enter items. You will need username, e-mail address and password. If you forget your username or password it can be retrieved by clicking on "Forgot your Password?" at the bottom of the log-in screen.
- This account will not carry over to next year.

## Create Your Entries

- You will need access to the online version of the Cecil County Fair Premium Book through our website [cecilcountyfair.org](http://cecilcountyfair.org) or the paper version of the Premium Book.
- Select the Entries Tab and choose the Department, Section, and Class for your entry.
- After adding entry, a confirmation message appears to confirm the entry has been added.
- Most livestock class entries require additional information such as animal name, birthdate, etc. Registry # refers to your Breed Registration number, rabbit tattoo number, cavy tag number or your animal's 4-H Tag number for market and commercial tagged 4-H livestock. You are required to enter this information prior to saving the entry.

### Review Entries

- Entries selected can be reviewed before submission.
- Entries are considered pending until the "checkout" process is complete.

## Checkout

- This is where entry process is completed. You do not need to checkout until all of your items have been entered even if it takes multiple days. However, be sure to checkout before the July 1 deadline or entries will not be accepted.
- All 4-H items are free to enter as well as Open Home Arts and Farm and Garden entries. Open Livestock has associated entry fees and must be paid with credit card. Additional credit card processing fees apply.
- Pay necessary fees, check the "Rules and Regulations" box and submit.
- A receipt of your entries will be sent to your e-mail.

### Picking Up Entry Tags

- If you have many entries it is encouraged that you pick up your printed entry tags prior to the Fair. Only items entered in Home Arts and Farm and Garden need these printed tags.
- Printed entry tags for Home Arts and Farm and Garden items can be picked up

at the Cecil County Fairgrounds on July 13, 5:30 PM-7 PM.

## 4-H Awards Ceremony

**Saturday, July 29, 4:30 p.m.**

4-H youth and their families are invited to a casual get together on Saturday, July 29 at 4:30 p.m. at the Cecil County Fair to recognize 4-H youth for their achievements during the week long events at the fair.

We will be recognizing youth for their participation in the 4-H herdsman contest at the fair and other special fair 4-H honors. Look for more information in the "4-H" newsletter. Hope to see you and your family at the 4-H gathering.

## About 4-H

Cecil County 4-H provides a supportive setting for all youth to reach their fullest potential. 4-H clubs are located throughout Cecil County.

Clover groups are for youth ages 5-7 as of January 1 and 4-H Clubs are for youth ages 8-18 as of January 1. 4-Hers learn life skills through a variety of 4-H projects, like livestock and horses, pets, nutrition, clothing, photography, bicycle safety and woodworking. Although a 4-Her may take any project, some clubs specialize in a specific project area.

Since its beginnings in 1902, 4-H has grown into a community of 6 million young people across America learning

leadership, citizenship, and life skills. 4-H can be found in every county in every state, as well as the District of Columbia, Puerto Rico, and over 80 countries around the world.

4-Hers participate in fun, hands-on learning activities, supported by the latest research of 106 land-grant universities across the country. The universities deliver research-driven programs through Extension agents in each of the more than 3,000 counties in the United States.

For more information about the local 4-H program, visit our website at <http://extension.umd.edu/cecil-county>.

## History of the Cecil County Fair

The Cecil County Fair originated in 1953, when members of the Calvert, Cecilton and Colora Granges met over lunch to discuss the idea. The founding members were Robert Carrion, Bill Groff, Walt Mason, and Ray Mueller, Cecil County's Agricultural Extension Agent at the time.

The group approached Mr. William DuPont, who owned the property known today as Fair Hill Natural Resources. Mr. DuPont welcomed the idea and was very supportive. In fact, he helped to share the expense of the fledgling fair throughout its first years, along with donating a grandstand and several outbuildings for displays and livestock.

In 1954, the first fair was held. It was a one-day event, held on July 27 from 10 a.m. to 10

p.m. Admission was completely free. Local individuals, organizations, businesses, as well as, the county commissioners provided the financial support.

There were approximately 752 entries from 204 open and 4-H exhibitors. Prizes were awarded in many categories, including home arts, food, flowers, produce, dairy, beef and horses.

Among the first exhibitors were the Grange, the Homemakers' Club and the Cecil County PTA. The midway consisted of just two booths – a dart and balloon game and baseball and bottle game! All comers walked away with a prize.

Following a calf scramble, where the winner kept the calf, the evening's entertainment concluded with a performance by the North

East High School Band.

In the years that have followed, the fair – and Cecil County – have changed dramatically. More than 70,000 people attend the 9-day fair. The fair celebrates our agricultural heritage, while providing hands-on learning opportunities for children and adults to explore today's complex food chain – from animal to vegetable. Entertainment highlights include the ever-popular demolition derby, a professionally-sanctioned rodeo, tractor and truck pulls, plus countless competitions for 4-H youth and county residents to showcase their skills.

On behalf of the all-volunteer Fair Board, we want to thank you for attending the Cecil County Fair and sharing our rich history while helping us look to the future of farming!

## 4-H Livestock Sale

Please join us on Saturday, July 29 at Noon for the 41st Annual Cecil County Fair 4-H Livestock Sale. Livestock registration and Buyers Social will take place in Barn B, Farm & Garden, on July 29 starting at 11am. The Social will provide an assortment of refreshments for each registered buyer and give the 4-H youth the opportunity to discuss and point out the livestock they will be selling. This is your opportunity to support local 4-H Youth and to purchase some of Cecil County's finest hand raised beef, pork, lamb, chevon, rabbits, and chickens.

The Livestock Sale marks the culmination of months of hard work when 4-Hers offer their project animals for sale to the highest bidder. Proceeds often go to fund college educations. Buyers get the satisfaction of supporting hard working 4-H Youth, recognition for buying the best, and can usually deduct the cost as a business advertising expense.

Buyers of champion animals will have their pictures taken with their purchases to be published in a local newspaper. A banner will be presented to buyers of champion and reserve champion animals.

Even if you don't need a freezer full of meat, you can still support local 4-H Youth by buying an animal and returning it to the Sale Committee. The Sale Committee will sell the animal for you at the market price and all you'll owe is the difference between your bid price and the market price. You can expect around 600 lbs. of beef from a 1000 lb. steer, 175 lbs. of pork from a 250 lb. hog, 50 lbs. of lamb from a 100 lb. lamb, 40 lbs. of chevon from a 80 lb. goat. Prior to processing, broilers weigh over 5 pounds each, meat ducks weigh over 7 pounds each, and meat rabbits weigh 3-5 pounds each.

Don't need a whole steer, hog, goat, or lamb? Then bring a friend, split the meat and the cost. The Sale

Committee will make arrangements to transport your animal to a Cecil County processor, but buyers are responsible for processing costs.

To preview the animals, attend the ~~Poultry Show on Saturday, July 22 at 3:00 p.m.~~, the Rabbit Show on Sunday, July 23 at 9 a.m.; the Meat Goat Show on Monday, July 24 at 4:00 p.m., Sheep Show Tuesday, July 25 at 9 a.m.; and the Swine, Beef and Dairy Steer Shows on Wednesday, July 26, beginning at 9 a.m.

For more information contact The University of Maryland Extension 4-H Office 410-996-5280 or Fair Office at 410-392-3440.

Don't miss the opportunity to get recognition for your business and buy top quality meat. Attend the Cecil County Fair 4-H Livestock Sale. Each Buyer and Seller of Champion or Reserve Champion Animals will receive a plaque or banner to display as they wish.

## Livestock Sale Official Rules

1. Sale is open to all active Cecil County 4-H Youth who are enrolled in a respective livestock project regardless of club membership. Youth who sell in 2023 are required to complete a record book with appropriate animal records in order to sell in 2024. Youth must write their thank you note to buyer and deliver it to April Barczewski on or before October 1, 2023, to be able to sell in 2024. Each youth may sell 2 animals of each species and no more than 3 animals total can be sold. Each animal must be registered as an official 4-H project. All youth selling in the 2023 sale are required to attend a mandatory sale meeting.
2. Dates of Meetings:  
6/5/23 - Calvert Grange, 7-8:30 PM  
6/7/23 - Cecil County Farm Museum, 7-8:30 PM
3. All 4-H exhibitors must show their own animal, unless they have two animals in the same class. If two animals are in the same class, the exhibitor must show one of the animals and a person of their age or younger must show the other animal. In the case of illness or emergency, a group of at least 3 livestock sale committee members determine if a substitute show person is allowed. If a 4-H exhibitor does not show their own animal (unless one of the special exceptions stated apply) the exhibitor will not receive 4-H premiums and will not be allowed to sell in the 4-H Livestock Sale.
4. All market animals must meet the same eligibility rules as the shows to be sold.
5. Any rule not specifically stated here but listed on the individual show pages must be followed.
6. A 3% sales commission will be deducted to cover sale expenses.
7. The animal becomes property and responsibility of buyer once it is struck off at the sale. It will be cared for on the fairgrounds until all animals are released on Sunday morning. Arrangements for transportation to a Cecil County processor will be made but costs of processing are the buyer's responsibility.
8. The Cecil County Fair Livestock Sale Committee has the responsibility to sell all animals consigned to the sale.
9. Youth who have buyers interested in buying their returned animals are to take care of the transaction themselves.
10. The decisions of the Cecil County Fair Livestock Committee will be final.

Department 1: FOOD PRESERVATION

1. Canned goods must have been prepared since last year’s show.

2. Jams, jellies, fruits, tomatoes (low acid tomatoes need acidification) and pickled vegetables should be processed in a boiling water bath canner. Vegetables, some tomatoes and pickles, must be processed in a pressure canner. To process the low-acid food safely in a reasonable length of time takes a temperature above the boiling point (240-250 degrees). Only tested recipes should be used. No substitutions or alterations in recipes should be made (Sources for tested recipes include USDA resources, So Easy to Preserve, Ball Blue Book, etc.).

3. All jars must have sealed lids with rings, jar, and lids. Must be clean and rust free.
4. Exhibitors are allowed only **one** entry per class. Duplicate entries in a class will disqualify the exhibitor in that class.

5. All food preservation entries must be exhibited in clear glass, standard quart, pint, or 1/2 pint canning jars. Specific categories must be checked for the correct size jar. Products in tinted glass will not be judged. Use self-sealing jars approved by the National Center for Home Preservation. All entries must be processed.

6. Judges may disqualify any jars which appear to contain artificial coloring (except mint jelly) and may eliminate any jars if the liquid is lower than levels suggested in the Ball Book, i.e. 1” for beets, corn, peas, and low acid foods, 1/2” for fruits and acid vegetables, 1/4” for juices, soft spread, pickles, relishes and jellies.
7. Fancy packs are discouraged as being impractical because of the time needed to make such packs, and the greater chance of spoilage.

8. Label each jar clearly as to product name, processing method, and time for processing the jars (ex: tomatoes/boiling bath water bath/# of minutes). This applies to all classes in Department 1.

9. Judges may disqualify any jars that have the appearance of contents not prepared by exhibitor.

10. Contents of jar must be processed, and prepared for canning by the exhibitor.

11. Items should be canned / processed between July 23, 2022 - July 20, 2023.

12. Jars may be opened during judging if necessary to determine quality of product
