

# Antique And Classic Rules

Saturday, July 25th

**CLASSIC/Farm Tractor models in production  
1960 to 1985,**

**ANTIQUA/Farm Tractor models in production  
prior to 1964**

**Session #1 Weigh in @ 8 AM, Pull @ 10 AM -  
3.5 mph Antiques**

**Session #2 Weigh in @4 PM, Pull @ 6 PM - 6  
mph Antique and Classic Tractors**

1. Pulling tractors may be entered in a maximum of two (2) classes per Session.
2. Tractors must be operated in a safe manner at all times.
3. Operator must remain seated during pull and must have complete control of the tractor at all times. All tractors must have strong rigid seats.
4. No consumption of alcoholic beverages on the premises at any time.
5. All weights must be secured and in the proper position. If any parts or weights fall off the tractor during the pull, the entry will be disqualified. NOTE: Bolts 2" past the tire or last weight MAX in width & front weights not to exceed 30" beyond the Bolster.
6. The shut off switch must be operational from the driver's seat.
7. All owners/operators will pull at their own risk.
8. No hole digging or jerking of the sled.
9. Engines, RPMS must not exceed factory standards plus 10%, factory fuel injection only, no multiple carbs and no nitrous oxide. These standards will be checked. All pulling tractors will be open to inspection by track officials. If there is a question of eligibility of the tractor the burden of proof

is the responsibility of the operator and must be proven by factory documentation. The decision of the weighmaster and track officials is final. Exceptions may pull Exhibition only if all safety rules are satisfied.

10. All engine fans must be shrouded with factory equivalent steel and all hood components in place.
11. The contest is open to tractors with rubber tires not to exceed one size over factory standards in width. Rim diameter must be standard. No cut tires, tread level of 10 degrees or more by any means measured at top of tire, no 4-wheel drive, no duals, tire studs, chains, or steel or iron treads.
12. All tractors must have functional rear wheel brakes.
13. All operators must wear shoes, shirts and pants.
14. Minimum drawbar length 18" from the center of rear axle to point of hook measured horizontally. The point of maximum height of twenty inches, not more than one inch in thickness with a Hole size to be 3" wide x 3-3/4" long MINIMUM opening with a cross section thickness of a minimum 0/0" pulling point may not be more than 1.5" from the back edge of the hitching device, and the drawbar must be rigid in all directions and parallel to the ground.
15. Any person who blocks the track with a tractor or other means for the purpose to delay or interfere with the event will be BARRED from participation for one year and 10 days. No one other than track officials and drivers on their tractors are permitted on the track!
16. There will be no cash awards. Trophies or

ribbons only.

17. All Entry Forms must be completed and signed. Any operators under the age of 18 will require the signature of a Guardian. Any operators demonstrating questionable driving skills will be challenged and track officials may refuse to hook.
18. Hook fees will be \$20.00 per pulling entry.
19. Decisions of pull eligibility will be determined by track officials.
20. Maximum speed during pull 6 m.p.h. same in staging and pit area.
21. No tractors will be left unattended with engines running.
22. Wheelie bars are highly recommended but are not required.
